

# TALK TAG...

## Scrolling Message Badge ...a mini billboard

- Easy to read • Easy to program • Easy to change messages
- Eye-Catching • Talks & Promotes for You

### ◆ Talk Tag Deluxe Kit

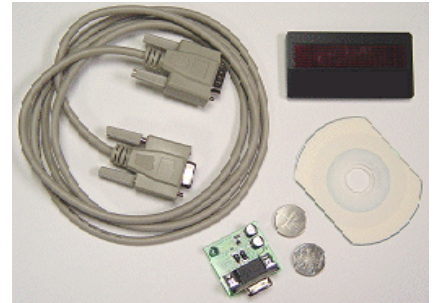

#### One Talk Tag...Plus One Programming Kit

(2 Batteries, 1 Transmitter, 1 Serial Cable, Software & Instructions)

A scrolling LED mini billboard. Size is approximately 2-1/4" x 3-1/4". It runs on a CR2032 button battery. Replacement Batteries are available from Peabody or a local retail location. Your message of up to 118 characters will scroll horizontally and is easy to read. Attaches with super magnets, so no pins will ruin clothing. 90 Mfg. Warranty.

*On/Off Switch* - No need to remove battery.

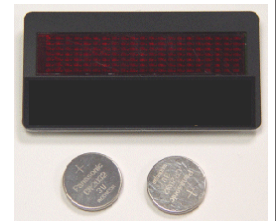

**Cost : Only \$ 20.00**

### ◆ MINI Talk Tag (Programs on Back)

Includes the Talk Tag and 2 batteries. Talk Tag is non-functional without Programming Kit. Good if you need more than one Talk Tag and already have the Programming Kit. MINI TAG is smaller and programs on the back. (Limited Qty's)

**Cost : Only \$ 20.00**

### ◆ Multi-Message Key Fob

Includes the Key Fob, 1 - CR032 Battery, 9 pin Serial Cable, Software and Instructions (No Talk Tag). Good to program 4 Messages at once and then upload and change messages at your command. (Limited Qty's)

**Cost: Only \$ 20.00**

### ◆ Additional Batteries

CR032 Lithium Battery - one used in each Talk Tag - each last about 18 hours

**Cost: Only \$ 1.00 each - Minimum order 5**

- Easy to read • Easy to program • Easy to change messages
- Eye-Catching • Talks & Promotes for You
